

## **TESTIMONIAL**

S/SGT CLARENCE GASPAR, JR., US Army Air Corp

On August 15, 2010, Ms. Jessica Gaspar wrote to CVCRA to inquire about her Grandfather whom she had just learned died six months earlier. Ms. Gaspar had just learned of his death and that he was interred in the Clark Veterans Cemetery and was inquiring if there was some additional information about him. The Cemetery Administrator from the local VFW Post 2485 was able to inform her that her Grandfather, Clarence J. Gaspar, died on Feb 16, 2010 and was buried at Clark Veterans Cemetery on Feb 26, 2010 with full military honors provided by VFW Post 2485. In an email back to CVCRA and the local VFW Post in response to her inquiry, Ms. Gaspar wrote:

*"Yes - the information was very helpful. Thank you for helping me. I just signed up as a "champion" and I'll likely send off an email to senators Chuck Schumer and Kirsten Gillibrand tonight. I would also like to make a donation to the Grave Diggers program. I found the application online, but it doesn't say what types of payments are accepted (check, money order, etc.). Do you know if I can just mail a check? Thanks again for your help and for all you guys do."*
